

Graduate Field Committee in Developmental Science
University of Maryland, College Park
Sponsored by the Graduate School

Morality: An interdisciplinary field linking the brain, behavior, and society

Please join us for a one-day workshop on the study of morality.

Friday, December 7th, 2012, 8:30 am - 4:00 pm

Stamp Student Union, Room 2208

University of Maryland, College Park

The workshop will bring together experts from diverse fields including psychology, neuroscience, philosophy, and public policy for interdisciplinary discussions and panel debates on morality, its origins, emergence, and manifestation in society.

Speakers:

Dr. Jonathan Beier, Psychology, University of Maryland, College Park

Dr. Melanie Killen, Human Development and Quantitative Methodology

University of Maryland, College Park

Dr. Daniel Levine, Public Policy, University of Maryland, College Park

Dr. Kalina Michalska, Neuroscience, NIMH, and Human Development and

Quantitative Methodology, University of Maryland

Dr. John Mikhail, Law, Georgetown University

Dr. Elizabeth Redcay, Psychology, University of Maryland, College Park
